

FAITHHOUSE CHURCH

2024 OLD TESTAMENT & PROVERBS READING PLAN

Congratulations to those of you who completed the reading of the entire New Testament with us in 2023!!

This year, we are going to take it up another level by reading the entire Old Testament throughout the year and one Proverb everyday. This plan consists of a daily reading (Mon-Fri) of 3-4 chapters in the Old Testament and 1 chapter of the Book of Proverbs and should only take about 15 minutes of reading per day. Since there are 31 Proverbs, you will read the book of Proverbs almost 9 times over the course of the year.

I will admit, there are times when the Old Testament can seem long & repetative -especially the "begats" and Numbers- but read it anyway, remembering it's God's Word. There are some nuggets tucked in those parts too!

Here are a few suggestions for getting the most out of your Bible Reading:

1. Try to set an appointment with yourself at the same time everyday for your Devotional time with the Lord.
2. Spend some time in prayer before reading & ask the Holy Spirit to open the Word to you and for understanding.
3. Keep a notebook or journal so you can write down what the Lord speaks to your heart.
4. Ask the Holy Spirit how to specifically apply what you read to your life.
